UT ALUMNI ASSOCIATION PLANS NEW GLASS BOWL PAVILION

The University of Toledo alumni are the heart and soul of the University. The achievements of UT graduates have worldwide impact, from medicine to business to the arts and humanities.

Representing over 115,000 alumni, the UT Alumni Association also serves as host for more than 200 events each year, both on-campus and on the road.

The organization is now seeking support to create the Alumni Pavilion, a unique place on UT's main campus which will recognize the success of UT graduates while serving as an outdoor gathering

location for pre-game tailgates and alumni activities.

The facility, projected to cost \$700,000, will be built along the exterior of the Glass Bowl at the northwest corner of the stadium. Adjacent to the tailgate lots and next to the west entrance, the pavilion is expected to be the primary gathering spot for alumni pre-game activities as well as a place for campus groups and community organizations to meet for other events and activities throughout the year.

UT ALUMNI ASSOCIATION PLANS NEW PAVILION

The 5,000-square-foot facility will feature the University's traditional lannon stone construction, supported by columns symbolizing the solid foundation UT alumni provide the University.

Each column will hold plaques recognizing Gold T, Blue T and Edward H. Schmidt Outstanding Young Alumni recipients, past Alumni Association presidents, and outstanding chapters and affiliates.

"As a replacement for the Association's current alumni tent, the pavilion will serve as a permanent location for pre-game tailgates and other outdoor activities," according to Dan Saevig, associate vice-president for alumni relations.

The pavilion will be outfitted with food and beverage stations, as well as a sound system, he noted.

"We are asking the University's alumni to help make this exciting new facility a reality through individual and corporate contributions," Mr. Saevig said, "especially those at the \$25,000, \$10,000, \$5,000 or \$1,000 level, payable over a three-year period."

Naming opportunities exist for donors who wish to make a special commitment to the project, including naming the pavilion itself, a variety of special areas inside the facility and fifteen pillars supporting the structure.

The Alumni Association's goal is to raise the necessary funding by June 1, 2012, with construction planned for 2013.

UT FOUNDATION NAMES NEW DEVELOPMENT OFFICERS

As it gears up for The University of Toledo's next major campaign, the UT Foundation has named four new development officers:

Allison Berns has been appointed assistant director of annual giving for UT's Health Science Campus. She comes to UT from the United Jewish Federation of Greater Toledo, where she served as campaign director. She graduated from The Ohio State University with a bachelor of arts in English and holds a paralegal certificate from Capital University Law School.

Allison Effler is major gifts officer for the UT College of Business and Innovation. Previously, she was regional director of Michigan for the University of Michigan College of Engineering, Office of Advancement. She earned a bachelor of arts in psychology from Miami University and a master's of science in public service management from DePaul University.

Jeff Grilliot was named major gifts officer for the College of Visual and Performing Arts/Special Projects. He comes to UT from Bowling Green State University, where he most recently was director of development-University Advancement and Alumni Affairs. He graduated with a bachelor's in psychology/social work from BGSU, where he also received a master's in college student personnel and a doctorate in leadership studies.

Beth Kohler serves as major gifts officer for the Health Science Campus, assigned to the College of Nursing. Prior to joining UT, she served as coordinator of grants and major gifts at Monroe County Community College. She earned a bachelor of arts from Michigan State University and is a certified fund raising executive.

A listing of The University of Toledo's fund-raising staff, along with contact information, can be found on page four of this issue of Cornerstones.

WHY I GIVE: LINDA WOODS

Name: Linda Woods
Profession: Retired IRS estate tax attorney; now estate tax consulting.
Residence: Maitland, Florida
UT Degrees: B.A. in German language and literature, 1970; J.D., 1979
Favorite UT Memory: The trip to Cincinnati with the German Club to see Dr. Faustus, with Frau Bigney leading the way!
UT Area of Support: The Linda Woods Scholarship, benefiting Anthony Wayne High School graduates majoring in foreign language, theater, English literature or law.

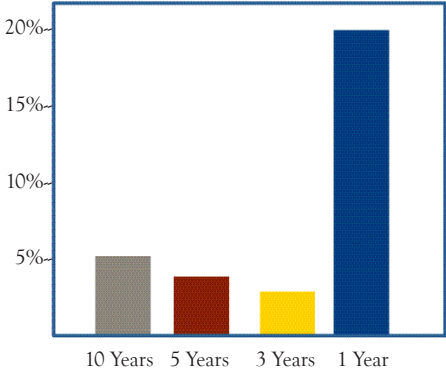

Why I Give: When I started at UT back in 1967, my father assisted with tuition only and did so grudgingly. When he retired at the end of 1969, his income dropped to social security and a little interest and dividends. And I was slicing bologna at the grocery for minimum wage. I applied for and received an alumni scholarship that fully paid my last year of tuition. It took all the pressure off for that senior year. I appreciated it then and I appreciate it even more now.
